

SHANGLIN(JASON) WU

✉ shanglin.wu@emory.edu  [shanglinwu.github.io](https://github.com/shanglinwu)

Research Interests

My research focuses on developing the next generation of autonomous AI agents, with a specific emphasis on two fundamental pillars: enabling lifelong learning and ensuring reliable multi-agent collaboration. I am driven by the challenge of building agentic systems that can adapt continuously to new experiences and collaborate effectively to solve complex, high-stakes problems in real-world environments.

Education

Emory University, Computer Science

Ph.D. in Computer Science and Informatics

Advisor: Dr. Kai Shu

August 2025 – Now

Atlanta, USA

Peking University, Tong Class

Bachelor of Artificial Intelligence, Computer Science

September 2021 – May 2025

Beijing, China

Conferences

Shanglin Wu and Kai Shu. “Memory in LLM-based Multi-agent Systems: Mechanisms, Challenges, and Collective Intelligence.” *Pacific-Asia Conference on Knowledge Discovery and Data Mining (PAKDD)*, 2026.

Preprints

Shanglin Wu, Yuyang Luo, Yueqing Liang, Kaiwen Shi, Yanfang Ye, Ali Payani, and Kai Shu. “Scaling Teams or Scaling Time? Memory Enabled Lifelong Learning in LLM Multi-Agent Systems” *arXiv preprint*, 2026.

Shanglin Wu, Lihui Liu, Jinho D. Choi, and Kai Shu. “Improving Factuality in LLMs via Inference-Time Knowledge Graph Construction.” *arXiv preprint*, 2025.

Research Experience

Research Intern

Microsoft Research Asia Alumni

March 2025 - July 2025

Beijing, China

- Mentor: Rui Ding
- Developed an LLM agent for conditional independence testing using SFT and RL. The agent achieves outstanding results across both CI-test tasks and broader causal discovery applications.

Teaching Experience

CS 470: Data Mining

Graduate Teaching Assistant

Spring 2026

Emory University

CS 370: Computer Science Practicum

Graduate Teaching Assistant

Fall 2025

Emory University

Academic Service

Reviewer

ICLR{2026}, TACL{2026}, WWW{2026}, ACL ARR{2025}, IEEE CogMI{2025}, IEEE BigData{2026}, SIGIR{2026}.

Awards

Excellence in Teaching Assistance Commendation

Department of Computer Science, Emory University

May 2026

Research Competition Paper Award

The National Conference on Supply Chain and Operation Management(ISCOP) 2023

December 2023

Scholarship

Peking University Freshman Scholarship

December 2021
